OutlaW's First Tutorial

This is my First tutorial! I made it a written/text tutorial For lower internet users, And i think its easier to follow. So here it is!  

Changes i made to the tutorial.  
I remade it, Seeing as i messed up and changed the font.

## Re: OutlaW's First Tutorial

good tutorial for a overly simple thing, put it on the gmod wiki, aside from that i am the first to say this is not half bad for a first post
